

LATIN AMERICAN YOUNG PROFESSIONAL (LAYP) GRANTS FOR INTER-NOISE 2021 CONGRESS

Eligibility and Procedures

Who is eligible?

Candidates can be either undergraduate or postgraduate students, postdoctoral scholars, young acousticians, noise control engineers working in industry or in the consultancy field. Candidates must be relatively early in their professional careers (typically less than 10 years of post-graduation experience). The value of the award will be \$750 UDS that includes applicable registration fees (for “live, in-person” attendance); *this amount will be adjusted to a lower value for virtual congress registration*. I-INCE young professionals travel award recipients will not be considered for the LAYP funding. Please go to the internoise2021.org for other programs and awards.

Candidates must be working or studying in one or more of the following countries.

Latin American Countries	
Argentina	Haiti
Bolivia (Plurinational State of)	Honduras
Brazil	Martinique
Chile	Mexico
Colombia	Nicaragua
Costa Rica	Panama
Cuba	Paraguay
Dominican Republic	Peru
Ecuador	Puerto Rico
El Salvador	Saint Barthélemy
French Guiana	Saint Martin
Guadeloupe	Uruguay
Guatemala	Venezuela (Bolivarian Republic of)

Prior or 2021 I-INCE grant winners are not eligible for the Latin American Young Professional Grants.

How do I apply?

Deadline: Same date as the INTER-NOISE 2021 Abstract Deadline – 15 February 2021 (please see the website for updates)

1. First, create an account and then submit your abstract using the INTER-NOISE 2021 abstract submission portal. See the ‘account’ button on the website: <https://www.internoise2021.org/>
2. Record the paper or abstract number given to you upon submission of the abstract
3. Download the Latin America Young Professionals application form from the https://internoise2021.org/young-professionals-students/in_here
4. **Rename the file with your abstract number: #####_IN21_LAYP_YourLastName.pdf**
5. Complete the LAYP grant application. Follow instructions given in yellow section on the form.
Describe research in only one paper for the YP grant process, even if you anticipate having multiple papers

in the Congress.

The research described should relate to the paper that you will submit associated with the abstract reproduced in the application.

These are highly competitive, prestigious awards, so please follow instructions and edit your application carefully before submitting. If you do not follow instructions, you will not receive an award. Application deadline is now 15 February 2021 – please check the website for more instructions.

1. Required information and a copy of the submitted INTER-NOISE abstract.
2. **One page** that provides more details on theory, experiments, results or conclusions, as relevant to the paper that will be submitted for the abstract given on Page 1.
3. **One-page** professional biography of the applicant. Indicate the country of current work or study.
4. A copy of the applicant's passport or comparable (government issued) identity card.
5. (optional, but **highly desirable**) A recommendation or funding support letter from your supervisor

6. Combine the above information into a SINGLE PDF file (named as #####_IN21_LAYP_YourLastName.pdf) and send it to <laypin21@proacustica.org.br> with this subject - #####_IN21_LAYP_YourLastName
